Sir:

The Decision Granting Petition under 37 C.F.R. § 1.53 dated January 7, 2004 instructs OIPE to process this application as a complete provisional application. The record should be corrected to indicate that this application is non-provisional application.

Concerning the drawings, and in reference to the Reply dated May 12, 2004, a drawing was filed on September 15, 2003 in connection with the Petition under 37 C.F.R. § 1.182 to reinstate filing date of application. A second, better quality drawing was filed together with the Contingent Amendment dated October 2, 2003. No drawing was filed on September 3, 2003 as indicated in the Decision dated January 7, 2004 and Reply dated May 12, 2004. It is believed that the Office is referring to the drawing filed October 2, 2003. There is no difference in content of the drawings.

Respectfully submitted,
